Kind friend - Have just re-arranged church cards in a new book - find I have some sage kind so am sending on to you. A card like this came to me recently from N. Y. sought to the pastor there & had him get me a few more - as I have been a member of W. C. T. U. for just 60 years next Nov and a life member, but never saw this card before so was so pleased to receive it. Sincerely Mrs. Ausman.
